RESEARCH INTERESTS

I study and address structural and social determinants of sexual and reproductive health equity in the US and globally using mixed and community-engaged methods from public health, demography, and gender studies

ACADEMIC APPOINTMENTS

- 2021- Present **Clinical Assistant Professor**
Georgia State University School of Public Health
Department of Health Policy and Behavioral Sciences
Mark Chaffin Center for Healthy Development
- 2020- 2021 **Postdoctoral Research Associate**
Georgia State University School of Public Health
Department of Health Policy and Behavioral Sciences
Mark Chaffin Center for Healthy Development
- 2018- 2020 **Postdoctoral Research Fellow**
Emory University Rollins School of Public Health
Department of Behavioral, Social, and Health Education Sciences
Center for Reproductive Health Research in the Southeast (RISE)
- 2012- 2018 **NICHD and NIA Predoctoral Research Fellow**
University of Michigan Institute
Population Studies Center
Public Health Demography
-

EDUCATION

- 2018 PhD **University of Michigan School of Public Health**
Health Behavior Health Education, Populations Studies Center
Dissertation: *Abortion Attitudes in South Africa and the United States*
Cognate: Gender and Population Studies
- 2010 MPH **University of North Carolina Gillings School of Global Public Health**
Health Behavior Health Education
Capstone: North Carolina CDC DELTA Project to Prevent Intimate Partner Violence
- 2008 BS **University of North Carolina**
Major: Biology with Distinction
Minors: Women's Studies, Chemistry, Classical Humanities
-

DISTINCTIONS AND HONORS

1. Embrace Refugee Birth Support Advisory Council Member 2021
2. Georgia Maternal Health Research for Action Steering Committee 2020
3. Society of Family Planning First Place Poster Award 2020
4. CDC Epidemic Intelligence Office Fellowship (Awarded but Declined) 2018
5. American Public Health Association Outstanding Poster Award 2018
6. UM School of Public Health PhD Representative Graduation Speaker 2018
7. NICHD and NIA Demography Predoctoral Traineeship, UM Population Studies Center 2012- 2018
8. UM Rackham Merit Fellowship, Rackham Graduate School 2012- 2018
9. Preparing Future Faculty 2017
10. Outstanding Graduate Student Instructor, UM School of Public Health 2016

Elizabeth Ann Mosley, PhD MPH

11. Training Awards, Inter-University Consortium for Political and Social Research

2012-2014

GRANT FUNDING

A. Active

1. **Department of Defense** 06/2021-05/2022
GSU School of Public Health
Co-Principal Investigators (PI): Shannon Self-Brown, Amanda Gilmore
Role: Co-Investigator
\$114,345
Building a University-Military Pipeline for Prevention Professionals
This grant supports development of a new Prevention Sciences Master of Public Health Certificate at the GSU School of Public Health including Applied Practicum Experiences
2. **Mark Chaffin Center for Healthy Development** 08/2020-06/2021
GSU School of Public Health
Co-PIs: Kathleen Baggett, Amanda Gilmore
Role: Postdoctoral Research Associate
\$159,691
Innovative Technology-based Approaches to Address Health Disparities
This postdoctoral fellowship focuses on technology-based interventions to reduce sexual and reproductive health disparities with emphasis on sexual violence prevention, substance abuse, and perinatal health of parents and infants. The goal of this fellowship is to launch an independent, externally-funded research portfolio.
3. **Society of Family Planning Research Fund** 09/2018-04/2021
SisterLove, Inc. and Emory University RISE
Co-PIs: Dázon Dixon Diallo, Kelli Hall
Role: Project Principal Investigator
\$299,959
Improving Access to Medication Abortion among Black and Latinx Women in Georgia
This grant supports a new community-academic research partnership between SisterLove, a reproductive justice and HIV organization in Atlanta, and RISE at Emory University to investigate and improve medication abortion access among Black and Latinx women in Georgia. The study uses a community-led and reproductive justice approach.
4. **Anonymous Foundation** 01/2021-12/2021
Emory University Rollins School of Public Health RISE Center
PI: Whitney Rice
Role: Co-Investigator (Co-I)
\$19,157 (Total Center Grant: \$500,000/1 year)
Expanding the Center for Reproductive Health Research in the Southeast
5. **Center for Reproductive Health Research in the Southeast** 02/2021-12/2021
PI: Elizabeth Mosley
\$14,240
Expanding the Georgia Doula Study Nationally
6. **Center for Reproductive Health Research in the Southeast** 02/2021-12/2021
PIs: Anna Newton-Levinson, Suba Narasimhan
Role: Co-Investigator (Co-I)
\$14,438
Global Elimination of Maternal Mortality from Abortion (GEMMA) Workshop

B. Pending

Elizabeth Ann Mosley, PhD MPH

- 1. Patient Centered Outcomes Research Institute** 11/2021-10/2026
GSU School of Public Health
Mark Chaffin Center for Healthy Development
PI: Kathleen Baggett
Role: Co-I, Study Director
\$5,000,000
Perinatal Support Intervention to Improve Maternal and Infant Health Outcomes in Georgia

C. Completed

- 1. Anonymous Foundation** 08/2020-02/2021
Emory University Rollins School of Public Health RISE Center
PI: Whitney Rice
Role: Co-Investigator (Co-I)
\$14,459
No-Cost Extension for the Center for Reproductive Health Research in the Southeast
This funding supports expanding RISE research to Georgia State University including opportunities for abortion-related education, faith-based reproductive health interventions, and evaluation of abortion-related policies in Georgia.
- 2. Anonymous Foundation #5255** 06/2018-06/2020
Emory University Rollins School of Public Health RISE Center
PI: Kelli Hall
Role: Postdoctoral Fellow
\$126,295 (Total Center Grant: \$7,000,000/3 years)
Social Determinants and Community-based Interventions in Reproductive Health
This postdoctoral fellowship focuses on the social determinants of reproductive health outcomes and community-based interventions to improve reproductive health. This includes a qualitative study on medication abortion for Black and Latinx communities; evaluation of gestational age limits and pregnancy support programs; and a church-based intervention to reduce reproductive health stigma.
- 3. Rackham Merit Fellowship** 07/2012-05/2018
UM Rackham Graduate School
Role: Predoctoral Fellow
\$87,000 + tuition and fees (over 3 school years: 2012-2013, 2015-2016, 2017-2018)
This predoctoral fellowship is open to doctoral students at UM who: 1) have a record of superior academic achievement, 2) come from under-represented backgrounds, and 3) demonstrate a sustained commitment to diversity in the academic, professional, or civic realm. This involved a summer immersion program, funding for doctoral studies, and professional development resources.
- 4. NIA Demography Predoctoral Traineeship T32AG000221** 08/2016-07/2017
UM Population Studies Center
PI: John Bound
Role: Predoctoral Trainee
\$35,500 + tuition and fees (Total Center Grant: \$539,306 for 2016-7)
Training in the Demography and Economics of Aging
This Center Training Grant supported my predoctoral education in public health demography with the Population Studies Center. This included didactic course in demographic methods, mentorship in demographic research, and Center activities including a Speaker Series and ethics training.
- 5. NICHD Demography Predoctoral Traineeship T32HD007339** 08/2013-07/2014
UM Population Studies Center
PI: Jeffery Morenoff
Role: Predoctoral Trainee

Elizabeth Ann Mosley, PhD MPH

\$35,500 + tuition and fees (Total Center Grant: \$601,904 for 2013-4)

Social Science Training in Population Studies

This Center Training Grant supported my predoctoral education in public health demography with the Population Studies Center including a demographic methods course, demographic research mentorship, and Center activities including a Speaker Series and research ethics training.

6. UM Population Studies Center 07/2015-08/2015

UM Institute for Social Research

PI: Elizabeth Mosley

Role: Principal Investigator

\$3,540

Abortion Stigma and Unsafe Abortion Disparities in South Africa

This Alumni Graduate Student Support Award enabled two months of qualitative dissertation fieldwork in South Africa on abortion stigma and unsafe abortion disparities. The award also fostered collaboration and partnership between the UM Population Studies Center and the Department of Demography and Population Studies at Wits University.

7. UM Global Public Health Office 07/2013-08/2013

UM School of Public Health

PI: Elizabeth Mosley

Role: Principal Investigator

\$3,640

Women's Sexual and Reproductive Health in South Africa

This Global Public Health Pre-Dissertation Travel Award supported one month of qualitative fieldwork in South Africa. The purpose of this travel award was to conduct formative interviews with key stakeholders with the aim of identifying a feasible and significant dissertation topic.

D. Awarded but Declined

1. UM Population Studies Center 2016

PI: Elizabeth Mosley

Role: Principal Investigator

\$7,993

Dissertation Grant

2. UM International Institute and African Studies Center 2016

PI: Elizabeth Mosley

Role: Principal Investigator

\$12,350

Rackham International Research Award

3. Department of Afroamerican and African Studies 2015

PI: Elizabeth Mosley

Role: Principal Investigator

\$2,000

African Studies Dissertation Grant

Elizabeth Ann Mosley, PhD MPH

RESEARCH EXPERIENCE

- 1. COVID-19 Doula Study** 2020-Present
GSU School of Public Health Mark Chaffin Center for Healthy Development
Emory University Center for Reproductive Health Research in the Southeast
PI: Elizabeth Mosley
In partnership with Healthy Mothers, Healthy Babies Coalition of Georgia, survey and interview doulas in Georgia and nationally about their scope of work, barriers and facilitators, and COVID-19
- 2. Reducing Maternal Depression and Promoting Infant Health and Development** 2020-Present
GSU School of Public Health Mark Chaffin Center for Healthy Development
NICHD R01 HD086894
PI: Kathleen Baggett
Role: Co-I
Test efficacy of a mobile coaching intervention to improve postpartum maternal mental health and infant development
- 3. Alcohol and Sexual Assault Prevention Lab** 2020-Present
GSU School of Public Health Mark Chaffin Center for Healthy Development
PI: Amanda Gilmore
Role: Postdoctoral Research Associate
Develop, refine, and test feasibility of a tablet-based intervention for adolescents in primary care settings to prevent alcohol/drug use, sexual risk behavior, and assault
- 4. Evaluating a Pregnancy Support Program for Refugee Women in Georgia** 2019-Present
Emory University Rollins School of Public Health RISE and Embrace Refugee Birth
Co-PIs: Elizabeth Mosley and Michelle Pratt
Role: Co-PI
Analyze hospital records to evaluate maternal and child health outcomes among refugee women in Atlanta, Georgia who are supported by a community-based pregnancy support program
- 5. Medication Abortion Among Black and Latinx Women in Georgia** 2018-Present
SisterLove, Inc. and Emory University Rollins School of Public Health RISE
Society of Family Planning Research Fund
Co-PIs: Dázon Dixon, Kelli Hall
Role: Project Principal Investigator
Describe Black and Latina women's perceptions of, experiences with, and barriers to medication abortion in Georgia using a qualitative, reproductive justice, and community-led approach
- 6. Evaluating Gestational Age Policies in the Southeast** 2018-2020
Emory University Rollins School of Public Health RISE
Anonymous Foundation #5255
Co-PIs: Kelli Hall, Carrie Cwiak
Role: Postdoctoral Research Fellow
Evaluated the impact of a 22-week gestational limit on abortion using qualitative and survey methods
- 7. Engaging Faith Communities in Georgia for Reproductive Health** 2018-2020
Emory University Rollins School of Public Health RISE
Anonymous Foundation #5255
PI: Whitney Rice
Role: Postdoctoral Research Fellow
Developed a faith community-based intervention to reduce reproductive health stigma using community-engaged, qualitative, and survey methods

Elizabeth Ann Mosley, PhD MPH

8. **Provider Share Workshop Projects** 2018-2019
UM Department of Obstetrics and Gynecology
PI: Lisa Harris
Role: Doctoral Research Assistant
Wrote manuscripts about and analyze mixed methods data from an intervention with abortion providers on stigma and burnout in East Africa and Latin America
9. **PARTner and MITTEN Intensive Care Unit Projects** 2017
UM School of Nursing
NIH Agency for Healthcare Research and Quality K08 HS024552
PI: Deena Costa
Role: Doctoral Research Assistant
Analyzed and assisted with data collection for a quantitative network survey, ethnographic observations, and semi-structured interviews on ICU teamwork
10. **Detroit Youth Passages** 2013-2014
PI: Alex Stern
Ford Foundation
Role: Research Assistant
Analyzed and wrote about quantitative survey data, interviews, and life histories from a community-based study of sexual health, joblessness, and homelessness
11. **Survivor Moms Companion** 2013
School of Nursing
PI: Julia Seng
Role: Research Assistant
Conducted key informant interviews for a trauma intervention with pregnant women in the US, UK, and Australia
12. **FHI 360** 2011
Role: Research Assistant and Project Manager
 - Analyzed qualitative data for HIV prevention trials in South Africa and Kenya (CAPRISA 004, PI: Kathleen MacQueen; FemPrEP, PI: Amy Corneli)
 - Assisted with quantitative surveys for a long-acting reversible contraceptive study in Senegal and Uganda (Sayana Press/Uniject, PI: Holly Burke)
 - Managed the project to develop a Gender Integration Framework for FHI360
13. **Lineberger Comprehensive Cancer Center** 2006-2008
University of North Carolina
PI: Lisa Carey
Role: Clinical Research Assistant
 - Recruited and surveyed participants for a clinical breast cancer study
 - Maintained the clinical database including data entry, quality assurance, and record extraction for research studies

TEACHING EXPERIENCE

A. Georgia State University

Lectures

1. **Maternal and Child Health** (PH 7425; Sarah McCool) 2021
School of Public Health
Taught 25 Master's students about reproductive health, rights, and justice
2. **Public Health Intervention Development** (PH 7410; Amanda Gilmore) 2021
School of Public Health
Taught 25 Master's students about maternal and child health needs assessment in Uganda
3. **Introduction to Maternal and Child Health** (PH 3035; Sarah McCool) 2020
School of Public Health
Taught 25 Master's students about abortion policy and community-led abortion research in Georgia

B. Emory University

Co-Facilitator

1. **Queer Reproductive Justice** (WGS 585, Stu Marvel) 2019
Department: Women, Gender, and Sexuality Studies
Co-facilitated weekly discussion sessions with 10 Master's and doctoral student and provide a public health, bio-medical, and practice-grounded perspective

Lectures

2. **Socio-Behavioral Measurement** (BSHES 542, Whitney Rice) 2020
Department: Behavioral, Social, and Health Education Sciences
Taught 50 Master's students about the Abortion Providers Share Workshop as a case study of measurement reliability and validity
3. **Reproductive Epidemiology** (EPI 746; Michelle Marcus) 2020

Elizabeth Ann Mosley, PhD MPH

Department: Epidemiology

Taught 25 Master's and doctoral students about family planning, unintended pregnancy, and abortion

4. **Qualitative Research Methods** (BSHE 538, Liz Walker) 2020
Department: Behavioral, Social, and Health Education Sciences
Taught 25 Master's students about community-based qualitative research methods
5. **Global Elimination of Maternal Mortality from Abortion** (GEMMA, Roger Rochat) 2020
Rollins School of Public Health
Taught 35 students about U.S. abortion policy, stigma, and research
6. **Community Assessment** (BSHE 524; Leslie Johnson) 2019
Department: Behavioral, Social, and Health Education Sciences
Taught 25 Master's students about reproductive health community assessments in Atlanta and Uganda
7. **Behavioral Epidemiology** (BSHE 516; Kelli Hall) 2019
Department: Behavioral, Social, and Health Education Sciences
Taught 25 Master's students about gender and demography in public health
8. **First Year Student Freak Out Panel** 2019
Department: Behavioral, Social, and Health Education Sciences
Discussed impostor syndrome and stereotype threat with 40 Master's students
9. **Qualitative Research Methods** (BSHE 538, Liz Walker) 2019
Department: Behavioral, Social, and Health Education Sciences
Taught 25 Master's students about community-based qualitative research methods
10. **Women's Health Policy: A Lifecycle Approach** (HPM 569, Sarah Blake) 2019
Department: Health Policy and Management
Taught 25 Master's students about state-level abortion policies and escorted them to the Georgia State House, which was debating a 6-week gestational age limit on abortion

C. University of Michigan

Instructional Aide

1. **Scientific and Analytic Approaches for Advanced Practice** (NURS 529, Julia Seng) 2017
School of Nursing
Supported and evaluated 90 Master's students online and in-person to review and synthesize empirical evidence to develop and evaluate nurse-led health interventions
2. **Theories to Promote Optimal Health Outcomes** (NURS 528, Laura Gultekin) 2016
School of Nursing
Supported and evaluated 70 Master's students online and in-person through weekly group discussions and application of health promotion theory to health interventions
3. **Community Organizing for Health Education** (HBHE 640, Barbara Israel) 2015
Department: Health Behavior and Health Education
As Field Coordinator, recruited and facilitated partnerships with 9 community-based organizations; supported and evaluated 25 Master's students on community-based projects

Graduate Student Instructor

4. **Behavioral and Social Science Foundations for Health** (HBHE 500/PH 300, Vic Strecher) 2015
School of Public Health
Facilitated 2 weekly in-person discussion sessions with 25 Master's students each and developed and evaluated their exams, projects, and class activities; as the Senior GSI, supervised 5 Master's-level GSIs and coordinated across sections; lectured to 300 undergraduate and Master's students

Elizabeth Ann Mosley, PhD MPH

5. **Fundamentals of Reproductive Health** (HBHE 540, Frank Anderson) 2014
Department: Health Behavior and Health Education
Instructed, supported and evaluated 50 Master's and Doctoral students in-person; co-developed curriculum and coordinated guest lectures

Lectures

6. **Sterilization and Social Justice Qualitative Analysis Working Group** 2016
Department: History
Facilitated a workshop on qualitative and mixed methods research of historical sterilization documents with 8 faculty members, Master's students, and doctoral students
7. **Ethics and Stigma in Health Professions** (PSYCH 211, Matt Mellon) 2016
Department: Psychology
Taught 30 undergraduates about the socio-ecological determinants of health using the Flint water crisis as a case study
8. **Global Public Health** (HBHE 710, Elizabeth King) 2016
Department: Health Behavior and Health Education
Taught 25 Master's students about maternal health equity in Uganda and South Africa
9. **Community Health Nursing** (NURS 456) 2015
School of Nursing
Taught 15 undergraduates about sexual and domestic violence in the US, Uganda, and South Africa
10. **Ethics and Stigma in Health Professions** (PSYCH 211, Matt Mellon) 2015
Department: Psychology
Taught 30 undergraduates about abortion stigma in South Africa and the US; 30 undergraduates)
11. **Latino Health Disparities Research Team** 2013
Institute for Social Research
Taught 10 PhD, Masters, and undergraduate students about qualitative research approaches for public health demography; (10 PhD, Master's, and undergraduate students)
12. **Social Welfare Policy** (PUBPOL 495, Mary Corcoran) 2013
School of Public Policy
Taught 30 undergraduates about poverty and racial inequity effects on reproductive health
13. **Sociology and Society** 2013
Summer Discovery
Taught 15 high-schoolers about the intersectionality of gender, race, class, and sexuality

University of North Carolina

Senior Graduate Student Instructor

1. **Human Anatomy and Physiology** (BIOL 252, Corey Johnson) 2008-2010
Department: Biology
Instructed 2 weekly lab sessions with 25 undergraduate students each and developed and evaluated their exams and lab reports; supervised, trained, and coordinated 9 Teaching Assistants

Other Invited Guest Lectures

1. **Program Planning and Evaluation** (MPH 510; Tabia Akintobi) 2019
Morehouse School of Medicine
Taught 20 Master's students about community-based qualitative research and program evaluation

Elizabeth Ann Mosley, PhD MPH

MENTORSHIP

A. Georgia State University

| Mentee Name | Department | Role | Years |
|----------------------|---|--|---------------|
| 1. Alex Patterson | Health Promotion and Behavior | Dissertation Committee Member | 2020- Present |
| 2. Ayeesha Sayyad | Health Promotion and Behavior | Applied Practicum Experience Supervisor | 2021- Present |
| 3. Irene Wilkerson | Health Promotion and Behavior | MPH Thesis Committee Member | 2020- Present |
| 4. Anushka Parekh | Alcohol and Sexual Assault Prevention Lab | Lab Mentor | 2020- Present |
| 5. Mariana Umbria | Health Management and Policy | MPH Thesis Committee Member; Applied Practicum Experience Supervisor | 2020- 2021 |
| 6. Harshita Yepuri | Alcohol and Sexual Assault Prevention Lab | Lab Mentor | 2020- 2021 |
| 7. Sruthi Kumar | Alcohol and Sexual Assault Prevention Lab | Lab Mentor | 2020- 2021 |
| 8. Monique Soleimani | Alcohol and Sexual Assault Prevention Lab | Lab Mentor | 2021-2021 |

B. Emory University

| Mentee Name | Department | Role | Years |
|-----------------------|---|---|---------------|
| 1. Daria Turner | Behavioral, Social, and Health Education Sciences | MPH Practicum Supervisor | 2019- Present |
| 2. Priya Shah | Global Health | Graduate Research Assistant Supervisor | 2021-Present |

| 4. Bridget Whaley | Behavioral, Social, and Health Education Sciences | MPH Internship Mentor | 2019- Present |
| 5. Celeste Ellison | Global Health | MPH Practicum Supervisor | 2020 |
| 6. Joya Faruque | Behavioral, Social, and Health Education Sciences | MPH Practicum Supervisor | 2019-2020 |
| 7. Sofia Filippa | Behavioral, Social, and Health Education Sciences | Graduate Research Assistantship Mentor | 2019-2020 |
| 8. Bria Goode | Behavioral, Social, and Health Education Sciences | Graduate Research Assistantship Mentor | 2019-2020 |
| 9. Autumn Watson | Behavioral, Social, and Health Education Sciences | Graduate Research Assistantship Mentor | 2019-2020 |
| 10. Madison Seymour | Global Health | MPH Thesis Committee Member | 2019-2020 |
| 11. Mariana Gutierrez | Behavioral, Social, and Health Education Sciences | Graduate Research Assistantship Mentor | 2018-2020 |
| 12. Marieh Scales | Health Policy and Management | Graduate Research Assistantship Mentor | 2018-2020 |
| 13. Jessica Dozier | Global Health | MPH Thesis and Graduate Research Assistantship Mentor | 2018-2019 |
| 14. Taylor Lawson | Behavioral, Social, and Health Education Sciences | Graduate Research Assistantship Mentor | 2018-2019 |

Elizabeth Ann Mosley, PhD MPH

SERVICE

A. University Service

Georgia State University

1. Maternal and Child Health Catalyst Member 2020-Present

Emory University

1. Diversity, Equity, and Inclusion Committee Member 2019-2020
2. Emory Reproductive Health Association Mentor 2018-2020

University of Michigan

1. HBHE Doctoral Student Group Mentor 2013-2018
2. Professional Development Leader; HBHE Doctoral Student Group 2016-2017
3. Representative; Health Equity Speaker Series 2015-2017
4. HBHE Doctoral Student Group Chair 2016
5. Diversity, Equity, and Inclusion Committee Member 2016
6. President; Maternal and Child Health Student Group School of Public Health President. 2013-2014
7. HBHE Doctoral Curriculum Committee Member 2013-2014
8. Global Health Student Advisory Board Member 2012-2013

B. Invited Editor for Peer-Reviewed Journals

1. Review Editor: Frontiers in Global Women's Health Contraception and Family Planning 2020-Present

C. Invited Reviewer for Peer-Reviewed Journals

1. BMJ Open
2. Contraception
3. Culture, Health, and Sexuality
4. Health Education and Behavior
5. International Journal of Women's Health
6. Journal of Midwifery
7. Journal of Women's Health
8. PLOS ONE
9. Population Research and Policy Review
10. Sexual and Reproductive Health Matters
11. Social Science Research
12. South African Journal of Child Health
13. Stigma and Health
14. Frontiers in Sociology

D. Community Service

1. Georgia Doula Access Working Group 2019-Present
Convened by Healthy Mothers, Healthy Babies Coalition of Georgia
Role: Research Subgroup Leader and Member
2. Embrace Birth Support 2019-Present
A program of Friends of Refugees
Role: Volunteer Prenatal, Birth, and Postnatal Doula for Refugee Women
3. Emory School of Nursing and Emory Decatur Hospital Labor Support Program 2019-2020
Role: Volunteer Labor Support Provider and Grant-Writer
4. Volunteer Full Spectrum Doula 2010-2018
UNC BirthPartners; STAR-SW Project-Uganda; Washtenaw Interfaith Coalition for Immigrants Rights
5. Alternatives for Girls 2013

Elizabeth Ann Mosley, PhD MPH

Role: Volunteer for Street Outreach with Women Engaged in Sex Work

6. Mariam Free Health Clinic 2011
Role: Volunteer and Grant-Writer
-

ADDITIONAL PROFESSIONAL EXPERIENCE

1. Global Maternal and Child Health Fellow 2011-2012
Elizabeth Glaser Pediatric AIDS Foundation-Uganda; Global Health Corps
 - Assessed health departments and government clinics for capacity to integrate maternal and child health services with HIV services in 4 districts in Southwestern Uganda
 - Implemented a pilot intervention with health worker training, supply chain management, and social mobilization for prenatal care, skilled birth attendance, postpartum care, and family planning
 - Co-developed a gender integration plan for the EGPAF-Uganda country office
 2. Global Health Database Technical Officer 2010-2011
FHI 360
 - Managed a central data repository for HIV programs in 30 countries across sub-Saharan Africa, Asia, and the Americas
 - Coordinated data collection across the 30+ distinct programs and supported improvement of data management and reporting systems
 3. Intimate Partner Violence Prevention Consultant 2009-2010
North Carolina Coalition Against Domestic Violence
 - Supported implementation of the CDC-funded North Carolina 10-Year Plan to Prevent Intimate Partner Violence by serving on the State Steering Committee
 - Co-authored an Executive Summary of the 10-Year Plan
 - Developed an evidence-based program guide for colleges and universities
 - Evaluated a domestic violence training for faith leaders
 4. Interpersonal Violence Prevention Intern 2009
UNC Counseling and Wellness Services
 - Developed the curriculum, activities, and assessments for an undergraduate classroom-based intervention to prevent sexual and dating violence on campus
 - Applied for Institutional Review Board approval for the study
 5. Chair of Women's Health 2005-2008
UNC Carolina Women's Center
 - Organized women's health events for undergraduate and graduate students, faculty, and staff including breast cancer awareness, physical activity, stress management, sexual violence prevention, and self-defense
-

PROFESSIONAL COMPETENCIES

Professional Affiliations

- American Public Health Association
- Population Association of America
- Society of Family Planning
- Global Health Corps
- SisterSong Women of Color Reproductive Justice Collective

Computer Skills

- Statistical: Stata, SPSS, SAS, MPlus
